

Liebert, an Emerson Network Power business, the world leader in mission critical power and cooling technology currently is seeking an International Trade Compliance Supervisor for our Columbus, Ohio (Worthington) location.

Essential Functions Include:

- Develop and implement policies and procedures that ensure compliance with all applicable regulatory and corporate import and export requirements
- Act as the resource for all Liebert Americas entities to provide technical expertise in supporting the resolution of both import and export compliance issues including but not limited to: custom regulations, export licensing, transfer pricing, NAFTA, duty drawback, product classification (HTS, ECCN, Sch.B), BXA/OFAC Export regulations, and anti-boycott/restrictive trade practices
- Conduct periodic training with all entities and personnel involved with import and export of Liebert products, parts and technology to ensure implementation and compliance with all applicable U.S. and foreign regulations as well as with corporate and divisional policies and procedures
- Conduct periodic reviews to ensure ongoing compliance, identify deficiencies and recommend/implement corrective actions
- Act as the primary contact for all communication with regulatory agencies regarding inquiries, investigations, questionnaires, reporting requirements and voluntary/mandatory disclosure

We require a Bachelor's degree in Business or related technical field, MBA is a plus. Must have 3-5 years experience in managing import/export compliance issues and must have a U.S. Customs Brokers license, or be willing to obtain it once hired.

Additional qualifications include:

- Demonstrate knowledge of and hands-on experience with the relevant areas of import/export regulatory compliance
- Must possess good oral and written communication skills
- Fluency in Spanish is a plus

We offer a competitive salary, excellent benefits and opportunity for personal and professional growth. For confidential consideration, please submit both your resume and salary requirement to hr@emersonnetworkpower.com Attn: ITCS 1C R-08-137 No calls or agencies please. See www.liebert.com for Company information.

Liebert, an Emerson Network Power business, is an equal opportunity employer. It will not discriminate against any applicant or employee on the basis of race, sex, religion, age, national origin, color, disability, or veteran status.
