

MasterBrand

C a b i n e t s , I n c .

At **MasterBrand Cabinets, Inc.**, we value our employees as one of our most important assets. Our success has been achieved through the commitment and dedication of our 13,000 team members. But, don't just take our word for it -- the Fortune Brands family, including Moen, Titleist, MasterLock, Foot-Joy, Therma-Tru and Jim Beam, has been honored as one of "*America's Most Admired Companies*" for eleven years in a row. A great opportunity with MasterBrand Cabinets could exist for you as the **NAFTA Classification Specialist at our Jasper, IN location.**

Position Summary:

This position will have the responsibility of determining correct harmonized tariff classifications for imported and exported goods as well as determining qualifications for preferential duty treatment under various trade preference programs such as NAFTA and US-Chile Act. This position will support the reconciliation program for Maquiladora plant operations and work closely with our brokers to ensure that our US / Canadian / Mexican product flow meets governmental requirements.

Duties and Responsibilities:

Accountabilities:

- Strong understanding of the Harmonized Tariff Schedule classifications
- Understanding of special trade programs (NAFTA, GSP, etc)
- Understanding of CBP regulations
- Customs compliance experience in a manufacturing environment in a major corporation or professional services firm
- Must be able to work across the organization to answer questions and resolve problems that arise in the movement of product into the US /Canada / Mexico
- Assume clerical duties pertaining to International logistics/ Customs Compliance

Knowledge, Skills & Experience:

- Minimum of 3-5 years experience in import/export Compliance with an importer or Customs Brokerage firm
- Knowledge of Canadian and Mexican transportation a plus
- Communication: Must be able to communicate effectively with all internal, external customers, vendors and carriers.
- Problem Solving: Ability to analyze a problem, break it into components and implement solutions.
- Organizational Skills: Ability to perform multiple tasks.
- Attention to detail: Ability to provide accurate information to internal and external customers.
- Advanced PC skills (Microsoft Word, Excel, Access) required

Education Requirements:

- 4-Year Degree in Business, Economics, or International Trade or 5 or more years of work experience in lieu of a degree
