## **Trade Compliance Manager**

American Showa Inc., a tier 1 supplier to the automotive industry has an immediate opening for a Trade Compliance Manager within our Head Office Division, located in our Sunbury, Ohio manufacturing facility.

Responsibilities of this position include ensuring that all business activity that crosses an international border is compliant with all import and export related laws and regulations; developing, implementing and maintaining policies, procedures and processes that ensure compliance with international and domestic regulations; monitoring regulatory and legislative changes; managing valuation and classification of imports; interfacing with customs brokers, US Customs and other applicable government agencies; preparing, submitting and maintaining all required compliance reports; and reviewing, optimizing and managing logistics costs and procedures.

The ideal candidate will have a 4 year undergraduate college degree with 5-7 years of trade compliance experience in a manufacturing environment, automotive manufacturing experience preferred. 3 – 5 years of management experience preferred. Must be a Licensed Customs Broker, or be willing to obtain a license when hired. The candidate must have a demonstrated knowledge of and hands-on experience with the relevant areas of import/export regulatory compliance. Proficient knowledge of Microsoft applications, excellent communication skills, interaction with all levels of the organization, customers and outside vendors and strategic planning is required of this position. The successful candidate will have the ability to operate in a team environment that holds individuals accountable for results.

We offer competitive compensation, company paid medical and life insurance, 401k, and vacation benefits. Qualified candidates should forward resume along with salary requirements to:
