

Customs Broker (Ad for specialized sites):

Quality people, products, and opportunities go hand-in-hand at Honda of America Mfg., Inc. Here, people contribute in a team environment to produce today's highest quality automobiles and engines. Currently, we are seeking a Customs Broker for our Marysville, Ohio location.

The selected candidate will support the daily classification activities for imported parts and equipment, and for parts shipped to various countries. Candidate will also support customs clearance activities, valuation review, post entry work along with other related projects. Position requires a minimum of 2 years experience in import/customs operations. Must have knowledge of HTS classification process and an understanding of U.S. Customs and Border Protection laws, regulations and programs. Requires a Bachelor's degree and certification as a Licensed Customs Broker or equivalent experience.

Honda offers an excellent compensation and benefits package.
