

Assistant Import Coordinator

Speed Sourcing Inc., a leading supplier of women's fashion apparel since 1987 is seeking an Assistant Import Coordinator to work in their international operations at Easton. The open position is a result of growth and expansion with our valued retail customers.

Supplying the retail industry with quality fashionable apparel, we seek a qualified candidate to become a part of our international logistics team. The team is responsible for the international transportation, Customs compliance, and extraordinary service to our valued customers. Candidates should have experience in the areas of ocean and air transportation, Customs documentation, and the Harmonized Tariff Schedules. Candidates not already licensed have a unique opportunity to gain first hand experience and formal training to attain their customs broker's license.

We hire only those who are self-motivated, accountable to others, and possess a commitment to customer service, accuracy, and deadlines.

Speed Sourcing offers compensation commensurate with experience along with a competitive benefits package consisting of health insurance, vacation pay, and retirement savings.

Interested and qualified candidates please send resume to jobs@speed-sourcing.com
