Other Interested Parties

SUBJECT: Realignment of Entry Specialist Teams

It has been determined necessary to realign the Entry Specialists assignments. Brokers are now assigned to individual Entry Specialists instead of teams. The attached lists show the Entry Specialist each brokerage/importer is assigned to. If the broker or importer is not specifically listed on the attachment then they are assigned alphabetically as shown. In addition, any new filers will be assigned alphabetically as shown. Please contact your assigned Entry Specialist for entry/protest issues. A phone list is shown below for your reference should you have questions for the Satellite team.

**Entry Contact Information**
